MASCOT NAMING Contest!

Hey Michigan Kids!

A collection of western Michigan hydroponic farms are creating an exciting program to help teach kids and families about hydroponic farming and the importance of eating local vegetables. We're calling on **YOU** to **NAME** our robot mascot! This fun character will be used on the "Lettuce Eat More Greens" website, marketing materials, and more! *The winner whose creative name is chosen will receive a hydroponic growing system to use at home!*

HOW TO ENTER THE CONTEST:

- ✓ *Get creative! Come up with what you think best describes this hydroponic mascot and visit www.lettuceeatmoregreens.com to enter! You'll find a simple form to fill out (one entry per child please).*
- ✓ *We will contact our winner by January 15 and arrange to have your home hydroponic growing kit sent to you!*

ENTRIES ARE DUE DECEMBER 31, 2023

The winner will be announced by January 15, 2024.

Visit www.lettuceeatmoregreens.com to learn all about hydroponic farming, take a fun quiz, & enter the contest!
